SUMMARY

A chemist and veteran looking to find a more rewarding career. Previous experience includes: working as a Marine Security Guard with training as a first responder and administrative duties. Experience working as a chemist in manufacturing and researching roles. EMT and BLS certified.

EXPERIENCE

Massgrow

Athol, Ma

Extraction Technician

07/2024 – 08/2025

- Performed extraction of biological matter using high pressure systems and highly flammable solvents in accordance with procedure.
- Kept thorough documentation and utilized a robust chain of custody system to track material use and transfer.
- Maintained, inspected, and kept various equipment clean and in working order; troubleshooted equipment failure.

Koch Separation Solutions

Wilmington, MA

R&D Technician

05/2021 – 07/2023

- Performed experiments in accordance with procedure to produce repeatable relevant data for evaluation in a safe environment.
- Reviewed data for statistical patterns and presented observations in a coherent form to diagnose problems and evaluate merits for production application.
- Researched manufacturing materials and equipment to lower costs, improve product, and streamline production.
- Worked with various departments to evaluate and implement the necessary personnel protective equipment and safety precautions for new chemicals and processes.

United States Marine Corps

Camp Lejeune, NC

Rifleman

09/2007 – 05/2009

- Facilitated communication between my squadron and headquarters as radioman during combat missions and training.
- Instructed non combat personnel with less experience in maintenance and checking of their equipment during training evolutions that resulted in increased combat capability.
- Executed role as company clerk upon return from deployment; used position to streamline monitoring systems for equipment and personnel during field operations resulting in increased efficiency in operations. Awarded Navy and Marine Corps Achievement medal for my efforts.

Marine Security Guard

05/2009 – 05/2013

- Kept vigilance over US Embassies: Brussels, Moscow, and Kuala Lumpur. Received Certificates of Appreciation from the US Ambassadors of Moscow and Brussels for exemplary performance.
- Recorded and maintained extensive logs for administrative and security tasks throughout deployment.
- Organized, maintained, and performed necessary tasks for various administrative roles while off duty, including: management of recreation, training, and equipment resources. Awarded Meritorious Mast in Kuala Lumpur for exemplary performance of these duties.

EDUCATION

EMT Certified

Hybrid

Certificate, NREMT EMS ID: 0350-6508-9173

03/2026

Thinkful

Remote

Certificate, Software Engineering

02/2024

C++ Institute

Szczecin, Poland

Certificate, CPE

11/2022

University of Massachusetts - Lowell

Lowell, MA

B.S. Honors in Chemistry; Minor in Biology and Writing

05/2017

- Graduated summa cum laude, Cumulative GPA: 3.88
